We are at Eraeliya delighted to introduce you to our exclusive travel partner Pepper Life who is the pioneer of experiential travel in Sri Lanka. Eraeliya Travel Desk aims to connect you with the island through the extraordinary and life-enriching experiences you encounter on the way.

You can find the Wanderlust Brochure in your room which contains all the necessary information about experiences offered by our travel desk. We hope you enjoy looking through this collection of hand-picked experiences that are reachable from Weligama. Please speak to our front office team in the lobby for more information on pricing and to make a booking.
